

Meet the World Textile Forum speakers: Prof. Dr. Torbjørn Netland

Gain insight into a changing industry and learn the new ways from the textile business experts!

ETH Zurich's Head of Chair of Production and Operations Management Prof. Dr. Torbjørn Netland will deliver a keynote speech on "The Future of Production Improvement". As an award-winning researcher and editor - his *Routledge Companion to Lean Management* won the Shingo Research Award in 2017 - he will offer innovative perspectives on the future of the textile business.

He is also a member of the *Expert Network of the World Economic Forum's Global Future Council on Advanced Manufacturing and Production* and a Board Member of the *European Operations Management Association (EurOMA)*.

Experience his keynote at the World Textile Forum 2019 in Zurich on 9 and 10 September!
