

## Visit Zurich and World Textile Forum 2019

While the World Textile Forum 2019 will present visitors with innovative perspectives on the future of the textile business, the event city is worth the trip alone. Zurich's centrality makes it easy to reach, tourists can discover numerous points of interests and learn of the city's rich history.

One of Zurich's most famous sights - the Grossmünster - is very close to the event location and the Fraumünster church with its beautiful windows by Marc Chagall is just around the corner.

Thanks to the great Zurich infrastructure and public transport travelling in the city is very easy – there are many beautiful spots around Zurich.

Picturesque Lake Zurich is a hotspot not only during the summer months and offers boating, swimming, and beautiful views. Visitors that are looking to bring a souvenir from Switzerland, will find that taking a stroll down Bahnhofstrasse offers many high-end shopping opportunities.

Experience engaging talks on Digital Sourcing & Production by experts from the textile business, explore Zurich's cultural heritage and enjoy its beautiful nature.

The World Textile Forum 2019 will take place at the Zunfthaus zur Meisen in Zurich on 9 and 10 September.
